Asian funds manager opens in Australia

1 June 2009

The Asian-owned funds manager, Capital Dynamics Asset Management, has been granted an Australian Financial Services Licence and has opened an office in Sydney.

Established some twenty years ago by investment specialist Tan Teng Boo, Capital Dynamics manages more than US\$240 million and has client bases in Malaysia and Singapore.

The Australian arm – Capital Dynamics (Australia) Ltd – is launching the [iCapital International Value Fund](#) (PDF) in June. This AUD-denominated retail fund invests in over forty stock markets globally.
